Chief, London Bureau

1 February 1949

Chief Engineer, FBIS

Loan of FBIS equipment to BBC.

References:

a. White Teletype 171115 January to [redacted] for Frost. 25X1

b. [redacted] Teletype 241138 January from Frost to White. 25X1

c. Requisition 49-6250 dated 14 January 1949.

1. The radio equipment covered by the references above is being accumulated for alterations and tests. It is anticipated that it may be up to 60 days before this shipment arrives in London.

2. The equipment will be charged to the London Office. Upon receipt, it should be inspected, condition noted, and it may then be issued to Mr. Frost on memorandum receipt with the stipulation that the equipment will be returned to the Chief, London Bureau in good condition within six months.

3. When the equipment is returned to the Chief, London Bureau, it is requested that you notify this office so that a determination for assignment of the equipment can be made.
